The map shows the location of the Botanical Garden metro station (M6) in Moscow. The station is located at the intersection of two major roads: ul. Vilyaletskogo Pika and ul. Kirova. The station has three exits, each marked with a red 'M' symbol. The area around the station is green, representing parks and gardens. To the west is the Hotel Moscow (хе Hotel moscow). To the east is the HookahPlace Garden (ХаккоПлэс Гарден) and the Automoyka 505 car wash. Further east is the Gerontological Center (Геронтологический центр). The map also shows the CBX (Central Business District) and the M14 highway. The Botanical Garden itself is located to the south of the station, with its entrance marked by a blue 'M' symbol.
